

MARTÍN SCHWARTZMAN

Product Manager | Project Lead | Scrum Master

+5491130025002 | ugmartin@hotmail.com
linkedin.com/in/martin-d-schwartzman | Buenos Aires, Argentina

Product Manager and Functional Technical Lead with 15+ years of experience in IT, specialized in managing digital products within the fintech ecosystem. Broad background from development to leading teams in agile environments. Proven experience designing payment solutions, managing stakeholders, leading squads and making data-driven decisions. AI-first in my day-to-day work.

WORK EXPERIENCE

Freelance in Integrations | Independent Consulting | Buenos Aires, Argentina | Remote

Feb 2025 / Present

- Translate small-business needs into custom technical solutions, product discovery and AI-assisted tool development (Claude, Stitch, AI Studio): catalogs, size charts, visual broadcasting.
- Design and maintain automation flows with n8n and Google Sheets that cut data-entry errors by 90% and save up to 3 hours per order received.
- Analyze and follow up on incidents using databases and Postman.
- Manage relationships with 5 vendors across 3 clients, aligning them with business needs.
- Integrate Google Sheets and Meta to keep 200+ products in sync.
  Tools: n8n, SQL, GitHub, Claude, Gemini, Copilot, Google Sheets, Tiendanube, AI Studio

Technical Product Manager | Tapi | Buenos Aires, Argentina | Remote

Feb 2022 / Jan 2025

- Led the recurring cash payments vertical in Mexico, later expanded to credit cards (Yuno) and transfers (Shinkansen).
- Coordinated integrations with multiple clients (education, fintech, fitness), from functional definition to technical implementation.
- Designed solutions with aggregators and prioritized the technical backlog in an agile environment, leading ceremonies and delivery tracking.
- Managed interoperability in Argentina (QRI), working with fintechs and billers.
  Tools: Jira, Postman, PostgreSQL, Tableau, AWS (CloudWatch, DynamoDB, Grafana, Redshift), app.diagram, Retool.

Integrations Lead | Billetera Yacaré | Buenos Aires, Argentina | Remote

Nov 2021 / Feb 2022

- Coordinated issuing and acceptance projects for interoperable QR payments under BCRA regulations.
- Ran technical certifications with wallets and acquirers, ensuring integration quality and security.
  Tools: Jira, Trello, MySQL, PostgreSQL, Postman.

Tech Lead | Independent Consulting | Buenos Aires, Argentina | Remote

Feb 2021 / Sep 2021

- Acted as tech lead for an aerospace industry project through a software factory.
- Led development of a WhatsApp bot for food ordering, applying modern architecture and REST APIs.
- Technologies: .NET Core, C#, Angular, PostgreSQL, Azure DevOps, Twilio.

Functional Tech Lead / Head of Support | Cordial Compañía Financiera S.A. | Argentina | On-site

Sep 2012 / Feb 2021

- Led liability-product squads, integrating accounting systems with a new core banking platform and managing origination applications.
- Coordinated technical support teams, vendors and quality metrics under SOX compliance.
- Managed strategic projects such as IFRS (NIIF) implementation and system mergers after acquisitions.
- Technologies: Oracle, SQL Server, REST APIs, Jira, Integration Services, GoAnywhere.
- Built solutions for Tarjeta Automática SA, including account statement generation and website re-engineering.

EDUCATION AND CERTIFICATIONS

- Systems Analyst – Instituto ORT Argentina (Jan 2009 / Jun 2013)
- Scrum Foundations Professional Certification (SFPC) – CertiProf (2020)
- DevOps, Continuous Integration and Agility – UTN (2018)
- ITIL Foundation Certificate in IT Service Management – PeopleCert (2017)
